

ACTIVITIES OF ASHTON WI IN DECEMBER 2013

Marjy welcomed over 40 members to our special Christmas meeting held at the Star Inn, Ashton. After a very brief business we were promptly served with a special festive meal. Everyone agreed afterwards that it had been delicious.

The entertainment for the evening was performed by the 'The Harmoneves', a talented group of young ladies from Prince Henrys High School. They included a range of popular songs, carols and Christmas music sung beautifully in close harmony. They were thanked by Doreen Cope.

The chefs and staff of The Star were also thanked for a most splendid meal and a very well organised evening.
