# Ashton News

Keep in touch with village life at [www.ashtonunderhill.org.uk](http://www.ashtonunderhill.org.uk) and on [www.facebook.com/AshtonunderHillParishCouncil](https://www.facebook.com/AshtonunderHillParishCouncil)

Dear readers

Ashton village life is slowly returning to normal. The big news is village plans for the Queen's Platinum Jubilee on P2. Looks like it will be a great weekend. Open Gardens will be hot on its heels the following weekend (p3). There is a flurry of other entertainment reports & news on pp4&5.

Our easyfundraising income for the Social Centre is creeping up but slowly. You could become another supporter at totally no cost and no effort to you. Would be great if more of the village was able to join up, see article below.

Finally, very sorry to have two items of unwelcome village news on the front page, when we normally only have good news! The PC wanted to draw your attention to them.

Hope you all have a lovely Easter and that the weather stays fine.

*The Ed*

(on the hill above Paris Barn)

Last Tractor and Trailer  
leaves  
Old Manor Farm  
At  
5.40am  
Followed by Breakfast in  
The Barn

### The Ukrainian War

The PC has been asked what the village are doing to support Ukrainian refugees. The Bredon Hill Group of Churches are organising this and we are awaiting further information. You can also contact Rev Katryn, details on back page. The Ashton Guides and First School have also been working hard to collect items to send out to the Ukraine through the Teams4U charity. We will keep you updated once we know more. Thank you. **Parish Council**

### Dogs

Unfortunately the Parish Council has received written complaints about out of control dogs in the village. Please please could we remind all dog owners of their responsibilities – you must keep your dog under control at all times away from your home, either on a lead or beside you. Thank you for your understanding. **Parish Council**

Keep your  
dogs under  
control at all  
times

# 2345

This is the number of vehicles recorded by the vehicle activated sign (VAS) on Elmley Rd (opp telephone box) as exceeding 30mph. This is only in the first two weeks of March! The other VAS on the Groaten has been more successful in reducing speed, but there are far more children and people on Elmley Rd. We know this is not all village drivers, but could you monitor your speed, just in case? It is easy for it to creep up as the road goes downhill there. Thanks, everyone. **Parish Council**

Join easyfundraising (address below) and you can collect free donations for the village every time you buy something online. It won't cost you a penny extra, so please help us to raise funds. You just sign up then click on the 'activate donation' button on websites that support easyfundraising and they do the rest, no bank details required!

**£1157.60**

raised so far by only 24 supporters!

Please support the ASC to fund various projects to make our village an even better place to live than it is already! *Dave Rose*
